

CONTRACTOR TRAINING – SERVICE CLASSES

GREE DUCTLESS INSTALLATION, START-UP AND SERVICE TRAINING \$350.

Become the expert on GREE ductless and Flexx products. This course will provide a comprehensive review of the technology, application/installation best practices, and troubleshooting; leaving ample time for hands-on activities with operational systems. Estimated duration of course: 6-8 hours

GREE VRF INSTALLATION AND START-UP TRAINING \$350.

Learn more about GREE GMV5 VRF products as we provide an in-depth review of the VRF products, installation best practices and start-up procedures, along with plenty of hands-on activities with operational systems. Estimated duration of course: 8-9 hours

The start time for both classes is 8:30 a.m. Please arrive at 8:15 a.m.
